

# ARAI Open Day – Opportunity to visit ARAI Campus

## The Automotive Research Association of India, Pune

Welcomes you for the visit to its picturesque campus on Saturday, 20th Oct 2018.

ARAI, over five decades, has provided its design and development expertise to the Indian automotive industry, focusing on the testing and evaluation of components and systems to meet national and international standards. In addition to utilizing state-of-the-art technology, laboratories and highly-trained personnel, ARAI recognizes the need to develop a new generation of engineers to meet the demands of the automotive industry, not just in India but across the globe.

It has embarked upon a programme of building up human resources by commencing educational programmes (Bachelors, Masters & Doctoral) with specialization in Automotive Engineering. It has tied up with VIT University (Vellore), VEL TECH University (Chennai), College of Engineering (Pune), Christ University (Bangalore), University of Alabama (USA), Braunschweig University (Germany) and Tennessee Tech University (USA).

In line with Post Graduate and Doctoral Programs conducted by various universities abroad, ARAI Academy have devised various Proficiency Improvement Programme (PIPs) to be taught by ARAI Academia / Industry Experts. These are varying from 1 day to 90 days. Brochure for the same can be downloaded from link:
