

ARAI Open Day - Opportunity to visit ARAI Campus

The Automotive Research Association of India, Pune

Welcomes you for the visit to its picturesque campus on Saturday, 7th Oct 2017.

ARAI, over five decades, has provided its design and development expertise to the Indian automotive industry, focusing on the testing and evaluation of components and systems to meet national and international standards. In addition to utilizing state-of-the-art technology, laboratories and highly-trained personnel, ARAI recognizes the need to develop a new generation of engineers to meet the demands of the automotive industry, not just in India but across the globe. It has embarked upon a programme of building up human resources by commencing educational programmes (Bachelors, Masters & Doctoral) with specialization in Automotive Engineering. It has tied up with VIT University (Vellore), VEL TECH University (Chennai), College of Engineering (Pune), Christ University (Bangalore), University of Alabama (USA), Braunschweig University (Germany) and Tennessee Tech University (USA).

In line with Post Graduate and Doctoral Programs conducted by various universities abroad, ARAI Academia have devised various Proficiency Improvement Programme (PIPs) to be taught by ARAI Academia / Industry Experts. These are varying from 1 day to 90 days. Brochure for the same can be downloaded from link <https://www.araiindia.com/news.aspx?catg=%7b0116-0232-0331-0404-0591-0414-0225-0256-0289-0320-0353-0384-0417-0448-0481-0512-0545-0576-0609-0640%7d>.

For Further information and registration, please visit www.araiindia.com.

Faculty interested to visit ARAI along with final year Engineering students are requested to write to Mr. A. S. Kulkarni, ARAI Academy at kulkarni.pga@araiindia.com

with an excel list of students in the appended format or call at

020-30231242. Preference would be given to those colleges which have SAEINDIA Collegiate Club and students having SAEINDIA membership. Based on your response, we would give specific slot to you for **7th Oct 2017**.

The following Laboratories / Departments are scheduled to be shown during the visit :

ARAI : Kothrud Campus

- Academy in 'D' Building for ARAI film
- SHL (Safety & Homologation)
- PSL (Passive Safety Lab)
- AED (Automotive Electronics Lab)
- NVH (Noise Vibration & Harshness)
- Knowledge Centre
- PTE (Powertrain Engg)
- SDL (Structural Dynamics Lab)
- ECL (Emission Certification Lab)
- AML (Chemical Lab & Materials Lab)
- CAE (Computer Aided Engineering)
- Model Class Rooms

ARAI : Chakan Campus

- Homologation Testing Center (New Facility)
